Lasting Solutions for
Homeless Families

Our Biggest Challenge, Ever.

Over the last three years, you've probably heard a lot from us about [The Rotary Support Center for Families](#), a facility that will change the lives of thousands of families in our community for decades to come.

With construction in full swing at our new home, this spring brings into focus our fundraising goals, most notably the [Kresge Challenge Grant](#).

The Kresge Foundation has challenged Family Services to finish raising our project goal by June 1. The reward: a \$950,000 grant to help us finish our new home. Today, we invite you to [join others](#) in support this campaign.
